*woodworking and
old-world craftsmanship*

MEET.

This is a SPACE SAVING MURPHY BED!
Discover our full line of hand made real wood furniture.

Lancaster Heirlooms is nestled within the quaint rolling hills of Southern Lancaster County. Offering various styles of solid wood furniture, Lancaster Heirlooms thrives on quality workmanship, fine wood finishing and bringing old world craftsmanship to your home or office.

While Lancaster Heirlooms has a strong reputation for building custom-made furniture, we have also developed a line of standard items built with the same quality standards our customers have grown to appreciate.

We use high quality, kitchen grade finishes (or optional environmentally friendly finishes) to bring out the very best in choice of cherry, oak, maple or hickory wood. We can also provide custom color matching, glazing, distressing and crackling in a variety of styles with an ample selection of hardware option. Attention is given to every detail during the creative process in order to provide you with enduring beauty and craftsmanship.

Simply put, quality and complete customer satisfaction through hard work is our ultimate goal on every piece of fine furniture we create for you.
